

Valerian Root Powder - Material Safety Data Sheet

 Information about the product Product Code 24VA Composition Valerian Root Powder Flavour and Odour Strong smell like Isovalerianic acid. Taste sweet, afterwards bitter Appearance Brown fine powder Information about the supplier Justingredients Ltd, Units 2-3a Tabernacle Road, Wotton-Under-Edge, Gloucestershire GL12 7EF Telephone: 01291 635525 E-mail: technical@justingredients.co.uk Hazard identification None known First aid measure Eyes - wash eyes thoroughly with water Skin - Wash thoroughly with water Ingestion - move to fresh air Other Firefighting measures May be combustible at high temperatures. Accidental release measures Clean up spillage and remove to waste container. Clean area with water Handling and storage Store in a dry place, keep away from heat. Avoid excess moisture Exposure controls/ personal protection Stopsure controls/ personal protection Stopsure controls information Not toxic. Routes of entry - Inhalation. Ingestion Ecological information Easily Degradable 		
3. Composition Valerian Root Powder 4. Flavour and Odour Strong smell like Isovalerianic acid. Taste sweet, afterwards bitter 5. Appearance Brown fine powder 6. Information about the supplier JustIngredients Ltd, Units 2-3a Tabernacle Road, Wotton-Under-Edge, Gloucestershire Gl.12 7EF Telephone: 01291 635525 E-mail: technical@justingredients.co.uk 7. Hazard identification None known 8. First aid measure Eyes – wash eyes thoroughly with water Skin – Wash thoroughly with water Ingestion – move to fresh air 9. Firefighting measures Normal firefighting precautions. Use of conventional extinguishers i.e. ABC fire extinguisher, CO 2 extinguisher, foam extinguishers 10. Other Firefighting measures May be combustible at high temperatures. 11. Accidental release measures Clean up spillage and remove to waste container. Clean area with water 12. Handling and storage Store in a dry place, keep away from heat. Avoid excess moisture 13. Exposure controls/ personal protection None known 14. Stability and reactivity The product is stable. Do not expose to direct sunlight 15. Toxicological information Not toxic. Routes of entry - Inhalation. Ingestion	1. Information about the product	The dried and powdered underground roots of Valeriana off
Strong smell like Isovalerianic acid. Taste sweet, afterwards bitter 5. Appearance Brown fine powder 6.
