INTOLERANCE AND ALLERGEN INFORMATION

Please ensure you have read our Allergen Policy statement available [here](#). For further information about allergen handling by JustIngredients and its suppliers, please read our online guide [here](#).

ADVISORY STATEMENT

One or more ingredients in this product are grown in an area where Wheat, Mustard and Peanuts are commonly cultivated either nearby or inter-cropped. This product may also come into contact with Mustard and Celery during the production process. JustIngredients Limited uses suppliers that are aware of allergen contamination and these suppliers have controls in place to limit exposure to allergens. JustIngredients Limited cannot guarantee that this product is free from any traces of Wheat, Mustard, Peanuts and Celery. If there is any doubt about the suitability of this product for the intended use, please seek further advice.

Please see also the “Use in production” clause in our product specification

Key: ✓ Indicates where a product is an allergen or where an allergen has intentionally been added to the final product.

PESTICIDE STATEMENT

JustIngredients Limited do not knowingly supply material containing pesticide residues above the legal maximum residue levels (MRL's), Codex recommendation or at a level that could cause a food safety risk under the Food Safety Act. Suppliers risk assess the materials supplied to JustIngredients Limited and where a pesticide issue is considered a risk the supplier arranges applicable testing and issuing of results before the materials are accepted by JustIngredients Limited. Where pesticide residues are assessed as 'low risk' the supplier may carry out random testing.

All our Organic products are certified by the Soil Association. EU law defines the minimum standards for organic products that are produced, manufactured, imported into, sold or traded within the EU - in the Organic Regulation. In many areas, the Soil Association's standards are stricter and exceed these EU standards.

HEALTH & SAFETY

A non-hazardous product if used under normal circumstances. Buyers of our products are aware that if our products are used for food use, **goods must be cooked thoroughly before use/consumption**. If you are unsure of the suitability of our product for your specific use, you should not use and seek further information from our technical team technical@justingredients.co.uk

HEAT TREATMENT

This product has not been heat treated by the manufacturer. Herbs and spices are naturally sourced agricultural products, which may contain naturally high microbiological flora. This product is not sterile. Where low levels of microorganisms are a specific requirement, then customers are advised to use raw materials which have undergone a method of heat treatment to reduce the microbial load. Buyers should seek further information from our technical team by emailing technical@justingredients.co.uk. JustIngredients Limited will not accept any responsibility for the incorrect application of products which result in final products being rejected. (See also 'Use in Production' clause below.

USE IN PRODUCTION

If the goods or any part thereof supplied under the contract are processed, altered or tampered with in any way by the buyer or receiver of the goods or any other person, the quality of the goods shall be deemed to be acceptable to the buyer. All customers' quality control checks are to be completed on the entire load prior to use in production or resale to 3rd parties in original state or as a blend.

TERMS OF SALE

All sales are subject to our terms and conditions. You can view our full terms and conditions on our website for orders placed through our retail (justingredients.co.uk) and wholesale (trade.justingredients.co.uk) websites as well as for offline orders placed directly with our customer service team. Please see: www.justingredients.co.uk/ji-terms
